A Form of Proxy for use at the Annual General Meeting is enclosed. To be valid, any instrument appointing a proxy must be received by Neville Registrars as soon as possible but in any event so as to arrive no later than 12 noon on 25 November 2019.

4 November 2019

Dear Shareholder

Annual General Meeting

I am pleased to invite you to the genedrive plc 2019 Annual General Meeting (the **AGM**) which is to be held at The Incubator Building, Grafton Street, Manchester, M13 9XX on Wednesday 27 November 2019 at 12 noon. The notice of the AGM (the **Notice**), which follows this letter, sets out the business to be considered at the AGM.

Notice of AGM

The Notice, and in particular the explanatory notes appended to the Notice, contain a detailed explanation of each of the resolutions.

Broadly the resolutions being proposed include resolutions to receive the annual financial statements of genedrive plc (the **Company**) together with the directors and auditors reports for the year ended 30 June 2019, to receive the directors remuneration report, to reappoint the directors of the Company, to grant authority to the directors to allot shares in the Company and to disapply pre-emption rights in respect of certain allotments of shares for cash, subject to certain limits and restrictions.

It also includes a resolution to appoint RSM UK Audit LLP (**RSM UK**) as auditors to the Company and to authorise the directors to fix their remuneration.

Since the year end the Group's Board, advised by the Audit Committee, has carried out a review of Group audit arrangements and invited a number of firms to tender for the audit of the Group and the Company. RSM UK were the preferred firm as a result of this exercise.

PwC's term as auditor ends at the conclusion of the AGM in 2019 and it is not proposed to reappoint PwC as auditor. PwC has confirmed that there are no circumstances that need to be brought to the attention of the members or creditors of the Company in connection with the fact they are not being reappointed as auditor. The Board is therefore proposing a resolution at the AGM to appoint RSM UK as auditor of the Company, to hold office as such until conclusion of the next general meeting at which accounts are laid before shareholders. This resolution also authorises the directors to fix the remuneration of the new auditor.

The annual financial statements are enclosed with this Notice of Annual General Meeting.

Recommendation

The directors of the Company consider that all the proposals to be considered at the Annual General Meeting are in the best interests of the Company and are most likely to promote the success of the Company for the benefit of the members as a whole. The directors unanimously recommend that you vote in favour of all the proposed resolutions as they intend to do in respect of their own beneficial holdings amounting, in aggregate, to 631,532 ordinary shares representing approximately 1.86 per cent of the issued share capital of the Company.

Yours sincerely

Dr Ian Gilham
Chairman

Website giving information regarding the meeting

2. Information regarding the meeting, can be found at <http://www.genedriveplc.com/>

Appointment of proxies

3. If you are a shareholder entitled to attend and vote at the AGM, you are entitled to appoint one or more proxies to exercise all or any of your rights to attend, speak and vote at the AGM instead of you. You should have received a proxy form with this notice of meeting. A proxy does not need to be a member of the Company but must attend the meeting to represent you. You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form.
4. You may appoint more than one proxy provided each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. To appoint more than one proxy, please contact our registrar, Neville Registrars Limited, on 0121 585 1131 or at Neville House, Steelpark Road, Halesowen, B62 8HD. You will need to state clearly on each proxy form the number of shares in relation to which the proxy is appointed. Failure to specify the number of shares to which each proxy appointment relates or specifying a number in excess of those held by the shareholder will result in the proxy appointment being invalid. If you wish your proxy to speak on your behalf at the meeting you will need to appoint your own choice of proxy (not the chairman) and give your instructions directly to them.
5. Appointment of a proxy will not preclude a shareholder from attending and voting in person at the AGM.
6. Shareholders can:
 - Appoint a proxy or proxies and give proxy instructions by returning the enclosed proxy form by post (see note 8).
 - If a CREST member, register their proxy appointment by utilising the CREST electronic proxy appointment service (see note 9).
 - You may not use any electronic address provided either in this Notice of Meeting or any related documents to communicate with the Company for any purpose other than as expressly stated.
7. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.

Appointment of proxy by post

8. To be effective, the completed and signed proxy form, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such Power of Attorney) must be deposited at the office of the Company's Registrars, Neville Registrars Limited at Neville House, Steelpark Road, Halesowen, B62 8HD not less than 48 hours (excluding weekends and bank holidays) before the time for holding the meeting (i.e. by 12 noon on 25 November 2019) and if not so deposited shall be invalid;

Appointment of proxies through CREST

9. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) of it by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. For a proxy appointment or instructions made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (Euroclear) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Neville Registrars Limited (ID 7RA11) no later than 12 noon on 25 November 2019, or, in the event of an adjournment of the meeting, 48 hours (excluding weekends and bank holidays) before the adjourned meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
11. CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member, or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
12. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Appointment of proxy by joint members

13. In the case of joint holders, where more than one of the joint holders completes a proxy appointment, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Changing proxy instructions

14. Shareholders may change proxy instructions by submitting a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments also

apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

15. Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact Neville Registrars Limited on 0121 585 1131 or at Neville House, Steelpark Road, Halesowen, B62 8HD.
16. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

17. A shareholder may change a proxy instruction but to do so you will need to inform the Company in writing by sending a signed hard-copy notice clearly stating your intention to revoke your proxy appointment to Neville Registrars Limited at Neville House, Steelpark Road, Halesowen, B62 8HD. In the case of a shareholder which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.
18. The revocation notice must be received by Neville Registrars Limited no later than 12 noon on 25 November 2019.
19. If you attempt to revoke your proxy appointment but the revocation is received after the time specified, your original proxy appointment will remain valid unless you attend the meeting and vote in person.
20. Appointment of a proxy does not preclude you from attending the meeting and voting in person. If you have appointed a proxy and attend the Meeting in person, your proxy appointment will automatically be terminated.

Corporate representatives

21. A corporation which is a shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a shareholder provided that no more than one corporate representative exercises powers over the same share.
22. In order to facilitate voting by corporate representatives at the meeting, arrangements will be put in place at the meeting so that: (i) if a corporate shareholder has appointed the chairman of the meeting as its corporate representative to vote on a poll in accordance with the directions of all of the other corporate representatives for that shareholder at the meeting, then on a poll those corporate representatives will give voting directions to the chairman and the chairman will vote (or withhold a vote) as corporate representative in accordance with those directions; and (ii) if more than one corporate representative for the same corporate shareholder attends the meeting but the corporate shareholder has not appointed the chairman of the meeting as its corporate representative, a designated corporate representative will be nominated, from those corporate representatives who attend, who will vote on a poll and the other corporate representatives will give voting directions to that designated corporate representative. Corporate shareholders are referred to the guidance issued by the Institute of Chartered Secretaries and Administrators on proxies and corporate representatives (www.icsa.org.uk) for further details of this procedure. The guidance includes a sample form of appointment letter if the chairman is being appointed as described in (i) above.

**Explanatory Notes to the Notice of
Annual General Meeting
of
Genedrive plc**

General

The notes on the following pages give an explanation of the proposed resolutions. Resolutions 1 – 9 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolution 10 is proposed as a special resolution. This means that for this resolution to be passed, at least three quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Annual Financial Statements

For each financial year the directors of the Company must present the audited consolidated financial statements, the director's report and the auditor's report on the financial statements to the shareholders at a general meeting. A copy of those financial statements and reports will be available on the Company's website at www.genedriveplc.com from 4 November 2019.

Resolution 2 - Directors Remuneration Report

Shareholders are asked to approve the director's remuneration report which may be found in the annual report on pages 30 to 35. This resolution is an advisory one and no entitlement to remuneration is conditional on the resolution being passed.

Resolutions 3 – 7 – Retirement and Re-election of Directors

In accordance with article 24.7 of the Company's articles of association every director who has been appointed since the last annual general meeting of the Company is required to retire from office. Article 24.1 of the Company's articles of association provides that one third of the directors who are subject to retirement by rotation (or if their number is not three or a multiple of three the number nearest to but not less than one-third) shall retire from office.

However, in accordance with the recommendations of the UK Corporate Governance Code, all of the Directors are proposing to retire, and, being eligible, offer themselves for reappointment.

Brief details of each of the directors and why the contribution of the directors is, and continues to be, important to the Company's long-term sustainable success, is set out in pages 24 and 25 of the annual financial statements.

Resolution 8 – Appointment and remuneration of auditors

The Company is required at each general meeting at which financial statements are presented to shareholders to appoint auditors who will remain in office until the next such meeting.

PwC will not be re-appointed as auditors of the Company at the AGM. The Company will instead propose a resolution to appoint RSM UK as auditors. RSM UK was selected following a tender for the audit services on the recommendation of the Audit Committee, carried out after the financial year end. In accordance with Company law and corporate governance best practice shareholders are also

asked to authorise the directors to determine the auditor's remuneration however this is combined in the one resolution.

Resolution 9 – Authority to Allot Shares

Under section 551 of the Companies Act 2006, the directors of a Company may only allot shares or grant rights to subscribe for, or to convert any security, into shares in the Company if authorised to do so by the shareholders. Such a resolution was passed at the last annual general meeting and the purpose of this resolution is to renew the director's power and authority to allot shares or grant rights to subscribe for or convert any securities into shares in the Company.

The Investment Association (**IA**) regards as routine a request by a company seeking an annual authority to allot new shares in an amount of up to a third of the existing issued share capital. In addition, the IA will also regard as routine a request for authority to allot up to two thirds of the existing issued share capital provided that any amount in excess of one third is reserved for fully pre-emptive rights issues. Paragraph (i) of Resolution 9 will allow the directors to allot ordinary shares up to a maximum nominal amount of £170,002.53 representing approximately one-third of the Company's issued share capital and calculated as at 1 November 2019 (being the latest practicable date prior to publication of this document). Paragraph (ii) of Resolution 9 will allow the directors to allot, including the ordinary shares referred to in paragraph (i) of Resolution 9, further ordinary shares in connection with a pre-emptive offer by way of a rights issue to ordinary shareholders up to a maximum nominal amount of £340,005.06 representing approximately two-thirds of the Company's issued share capital calculated as at 1 November 2019 (being the latest practicable date prior to publication of this document). The directors have no present intention of exercising the authority conferred by paragraph (ii) of Resolution 9. However, if they do exercise the authority, the directors will have due regard to best practice as regards its use including the recommendations of the IA.

The authority will expire, unless earlier revoked or varied by the Company in general meeting, on the earlier of the conclusion of the next annual general meeting of the Company and the date 15 months after the date of passing of this resolution.

As at 1 November 2019 no shares were held by the Company in treasury.

Resolution 10 – Authority to display pre-emption rights

If equity shares are to be allotted for cash, using the authority given by Resolution 9 above, section 561(1) of the Companies Act 2006 requires that those securities are offered first to existing shareholders on a pre-emptive basis in proportion to the number of ordinary shares they each hold at that time. An offer of this type is called a "rights issue" and the entitlement to be offered a new share is known as a "pre-emption right".

There may be circumstances, however, where it is in the interests of the Company for the directors to be able to allot new equity securities other than to shareholders in proportion to their existing holding or otherwise and strictly in compliance with the requirements of the Companies Act 2006. This cannot be done under the Companies Act 2006 unless the shareholders first waive their pre-emption rights.

There are legal, regulatory and practical reasons why it may not always be possible to issue new shares under a rights issue to some shareholders, particularly those resident overseas. To cater for this, resolution 10 in authorising the directors to allot new shares by way of a rights issue, also permits the directors to make appropriate exclusions or arrangements to deal with such difficulties.

Resolution 10 asks shareholders to authorise the directors to allot equity securities in the capital of the Company pursuant to the authority conferred by resolution 9 for cash, without complying with the pre-emptive rights in the act in certain circumstances.

Apart from offers or invitations in proportion to the respective number of shares held pursuant to Resolution 10(b) the authority will, pursuant to Resolution 10(c), be limited to the allotment of equity securities for cash up to a maximum aggregate nominal amount of £51,000.75, being approximately 10% of the Company's issued ordinary share capital at the date of the Notice of AGM. This is consistent with the Company's approach in prior years though not strictly in accordance with current recommendation of the IA and the Pre-emption Group.

In addition, Resolution 10(a) also asks shareholders to grant authority to the directors of the Company to allot some of the new shares other than by way of a pre-emptive offer or under the general 10% disapplication in relation to shares issued pursuant to the terms of any share option scheme or arrangement. Resolution 10(a) asks shareholders to do this, but only in relation to new shares equal to 10.03 per cent. of the Company's issued ordinary share capital at the date of the Notice of AGM.

The directors will be able to use this power without obtaining further authority from shareholders before they allot new shares pursuant to the terms of any employee share option scheme or arrangement covered by it. However, by setting the limit of 10.03 per cent., shareholders' proportionate interests in the Company cannot, without their agreement, be reduced by more than 10.03 per cent. by the issue of new shares pursuant to the terms of any share option scheme or arrangement. This together with the shares currently under options granted by the Company and exercised in respect of employee share option schemes and arrangements aggregate 20% of the issued share capital of the Company.

The Company is seeking authority to allot securities in connection with a pre-emptive rights issue up to a maximum amount of the authority in resolution 9, which represents approximately one third of the Company's issued ordinary share capital as at 1 November 2019, being the latest practicable date prior to publication of this notice. The benefit to the Company of obtaining such authority on an annual basis is that it would allow the Company to implement a rights issue of an amount equal to a maximum of approximately one third of the issued ordinary share capital without the need to call an additional general meeting. This would shorten the implementation timetable of such a rights issue.

The power given by Resolution 10 will, unless earlier revoked or varied by the Company in general meeting, expire on the earlier of the conclusion of the next annual general meeting of the Company and the date 15 months after the date of passing of this resolution.
